

*Painted Rock Family Medicine*  
*Balanced Healthcare for a Balanced Life*

## Welcome to Our Practice!

Painted Rock Family Medicine welcomes you to our practice. We strive to provide you and your family focused all-encompassing care so you can lead a “Balanced Life.”

The New Patient Packet is used to gather information about your health history in order to help you understand the options available to you to improve quality of care. The packet will also set out some expectations we have for you to assist us in your care.

We look forward to seeing you at your scheduled appointment. To save time on the day of your appointment, please read and complete all pages in the New Patient Packet and bring it to your scheduled appointment check-in time. If you are unable to complete the packet prior to your visit, please plan to arrive 30 minutes before your scheduled time, so we may answer any questions and you can complete the forms. Please review the financial policy enclosed within this packet so you are aware of payments due at time of service.

Please bring the following with you to your appointment:

- **Insurance Card**
- **Photo ID**
- **List of current medications with dosage**

We look forward to learning more about you and assisting you in achieving your Balanced Healthcare for a Balanced Life.
